# CHAIR THE HOPE

## EMBRACE THE OAXACAN CULTURE!

*Oaxaca is a warm, colorful state in Southwestern Mexico with a population of about 3.5 million. The predominant language is Spanish, and the currency is the peso. Oaxaca City is widely regarded as the gastronomical capital of Mexico, which means they have the best and most authentic food. Oaxaca also features ancient ruins, historical museums, impressive architecture, and the happiest, most friendly people. Oaxaca is considered to be one of the best places to live in Mexico!*

## CHAIR THE HOPE

For each person who receives a wheelchair, it provides hope and freedom to a human being who was previously unable to live with basic life functions such as getting out of bed, going to the kitchen to eat, outside to play, or to school and work. From children to adults, these are people of value to our communities and global economies. In addition, their family members and community are also given hope for a better quality of life. We invite you to join us in our mission to change 1 million lives, and their families, around the world.

## CHAIR THE HOPE

*Chair The Hope is a non-profit organization devoted to raising funds for new wheelchairs and their delivery to millions of people in need around the world. Their mission is to inspire hope and improve quality of life through the gift of mobility.*

*We rise by  
lifting others*
