TRAVEL WITH A PURPOSE

CHAIR THE HOPE

EXPLORE PERU WITHOUT LIMITS!

On the Pacific coast of South America lies Peru, a country known for its history and diverse geography. Peru offers a variety of places with distinct landscapes, cultures, and heritage. You'll get to visit one of the most famous archeological sites in the world, Machu Picchu, explore the history of the Incan empire in Cusco and visit the surrounding Sacred Valley. The coastal capital city of Lima is revered for its cuisine, home to some of the most highly rated restaurants in Latin America.

CHAIR THE HOPE

For each person who receives a wheelchair, it provides hope and freedom to a human being who was previously unable to live with basic life functions such as getting out of bed, going to the kitchen to eat, outside to play, or to school and work. From children to adults, these are people of value to our communities and global economies. In addition, their family members and community are also given hope for a better quality of life. We invite you to join us in our mission to change 1 million lives, and their families, around the world.

CHAIR THE HOPE

Chair The Hope is a non-profit organization devoted to raising funds for new wheelchairs and their delivery to millions of people in need around the world. Their mission is to inspire hope and improve quality of life through the gift of mobility.
